

# CLOVER ECO-SOAP

## Moisturising Hand Soap

- **EU Ecolabel: IE/030/002**
- **Approved cosmetic formulation**
- **New modern pleasant fragrance**
- **Specifically designed with a refill pack to help you reduce plastic waste.**

Clover ECO-SOAP has been formulated to comply with the standards set for an EU Ecolabel Product. The EU Ecolabel standards set strict limits on the amount/type of packaging used and the ingredients used within the formulation.

Clover ECO-SOAP contains ingredients made from responsibly sourced Palm Oil.

Clover ECO-SOAP is an Ecolabel hand soap ideal for regular use in a wide variety of areas such as health clubs, hotels, changing rooms, offices, etc.

A clear, green hand soap that has been consumer tested, Clover ECO-SOAP will leave hands feeling moisturised and freshly cleaned/fragranced after use. Clover ECO-SOAP is suitable for all skin types.

To help reduce the amount of waste plastic packaging, Clover ECO-SOAP is also available in 5 Litres as a stand alone product or as a re-fill pack.

### DIRECTIONS

Dispense into hands, rub over skin, rinse with water and dry thoroughly.

**NO MICRO-PLASTICS, EDTA, TRICLOSAN,  
PARABENS AND FORMALDEHYDE ADDED.**
